Percentage is YoY percent change based on the same reporting period last year. The information presented is based on data submitted through SLIP from January 1, 2025, to March 31, 2025, according to the policy submission date. All figures have been rounded to the nearest dollar amount. Please note that policy count figures reflect new business and renewals only.

<sup>\*</sup>When policy count data is not present, the associated premium is attributed to endorsements.
