RE: RECONCILIATION OF NON-ADMITTED PREMIUM

The Wyoming Department of Insurance (Department) is requesting certain information regarding the non-admitted insurance that was written in Wyoming for the year 2024 and going forward. This data is necessary to reconcile the premiums written by non-admitted insurance companies with the premiums reported by the Wyoming non-admitted filers (surplus lines agents/brokers, direct procurement filers, and risk purchasing groups).

Wyoming follows the "Home State" taxation and regulatory requirements that are outlined in the Non-Admitted and Reinsurance Reform Act (NRRRA) as required under W.S. 26-11-118.

Surplus Lines Brokers that transact business with non-admitted insurers where Wyoming is the home state are required to file tax reports with the Wyoming Department of Insurance and remit taxes and fees on all Wyoming non-admitted insurance business through the Surplus Lines Information Portal (SLIP). As a surplus lines insurer doing business in Wyoming, you currently file your business written report to the Wyoming Department of Insurance via a paper filing. The Department is modernizing this filing to be an electronic filing via the SLIP system, which will no longer require the paper filing.

Insurers will submit policy data to the Wyoming Department of Insurance via the SLIP system. SLIP website can be accessed via <https://www.slasclearinghouse.com> or <https://slip.slasclearinghouse.com/Common/login.aspx?ReturnUrl=%2f>. All surplus lines insurers will be sent an email when their company's SLIP account is created. However, if you do not receive an email, insurers can register for a SLIP account on the SLAS SLIP login page.

Insurers have the following options for data submissions via SLIP: (1) manual data entry or (2) multiple policy submission through an XML batch process. Insurers reporting a relatively small number of policies are ideal candidates for the manual data entry in SLIP, while insurers reporting numerous policies may prefer to submit data in XML batch format. Please contact the SLAS staff at [batchfiling@slasclearinghouse.com](mailto:batchfiling@slasclearinghouse.com) to request more information on the batch filing process.
