(1) 0.3% Fire Marshal tax applied to every policy. (2) Due to filing adjustments made after the 2025 mid-year report, Utah's 2025 premium and items have increased \$34,477,033 (7%) and 1,072 (2.9%), respectively, from the 2025 figures that Utah reported this time last year. The data presented in this report is sourced from the Wholesale & Specialty Insurance Association (WSIA) and the Florida Surplus Lines Service Office (FSLSO). The data presented reflects activity reported between January 1, 2026, and June 30, 2026. A triple dash (---) appearing in this report indicates that the data field has been intentionally left blank because a complete data set was not available. Premium and policy count percent of change for SLIP+ and SLIP states are based on data from Alabama, Colorado, Georgia, Kansas, Montana, Oklahoma, South Dakota, Tennessee, and Wyoming. In the month of April, Colorado and Kansas began accepting endorsements on policies originally filed with their respective states dating back to 2022. With these inclusions, future reporting numbers will be skewed for these two states.
